Hi, Peter.

No agenda has been vetted as of yet; I just submitted my updates to the CAG this morning—pls see attached.

Nothing major is proposed for discussion regarding Area 40 from what I can tell, so it's probably your call on whether you'd like to attend the CAG meeting or not. It doesn't seem like a technical meeting is necessary this time either, unless you or Jim want one.

Unfortunately I don't yet have a draft OU10 transfer agreement yet that I can forward you, but my attorney is working on it and vetting it through his management. I'll be back in town and working on 25 March; just give me a call then or the following week if you'd like to catch up on anything.

Thanks, Peter,
Lynn

Hi Lynn,

Just following up to see if there is a tentative agenda for the AR CAG meeting next week? Trying to determine whether my participation is needed based on the topics proposed. Please advise at your earliest convenience. Thanks
